

## REPAIR REQUESTS

If you have a problem in your *own apartment* you must report this to VP&A.

You can submit your repair request via the Twinq site <https://vpagroep.twinq.nl/>

You can log in here with your username and password. It says on the main page on the right the item "repair requests". If you click on this, you will enter the screen "repair requests". On the right is the item "Report a repair request".

You can also submit your repair request by telephone via telephone number **030 600 4000**  
The telephone menu will guide you further.

Problems in the *general area* and on *common equipment*  
you can report via [waterlelie.tc@gmail.com](mailto:waterlelie.tc@gmail.com) or directly to one of the members of the Technical Committee.

See also form on notice board.
